

AQUATICS

GLASS & ACRYLIC CLEANER

Streak-Free Formula

- Repels Dust, Fingerprints & Water Spots
- For Glass & Acrylic
- LCD Screens
- Silicone Rubber
- Reduces Friction When Using Magnetic Cleaners

Most household glass cleaners contain ammonia or other harsh chemicals that are toxic to fish, reptiles and invertebrates. Fritz Glass & Acrylic Cleaner is ammonia free and safe to use on exterior surfaces around an aquarium or terrarium.

Dosage / Instructions:

Spray directly on surface, wipe off with a clean cloth. A soft cotton or microfiber material is recommended to avoid scratching acrylic and plastic.

Size /Treats

8 oz
